Editorial Review

From School Library Journal

Gr 9 Up—In this excellent collection with crossover appeal, Nix truly displays his storytelling chops. He begins with an Old Kingdom novella that lends the collection its name, in which a penniless youth takes his place as a cadet in the The Worshipful Company of the Greenwash & Field Market Bridge. Nix also includes stories set in the worlds of his *Shade's Children* (1997) and *A Confusion of Princes* (2012, both HarperCollins). Other familiar names appear here, including Holmes, John Carter of Mars, and even Hellboy. Many of these tales reside in the murky borderlands between fantasy and horror while others embrace science fiction tropes. There are deadly serious stories and others that are offbeat. One entire section is devoted to coming-of-age tales that feature characters as diverse as a shy LARPer to two young ladies working their way through a college for witches. Another highlights tales of conflict including Nix's take on the sword in the stone and Richelieu-era Paris. Nix's talents for characterization, description, and plotting render each story in this work a pleasure to read. VERDICT Readers of speculative fiction, whether teens or adults, should find much to enjoy in this collection.—Eric Norton, McMillan Memorial Library, Wisconsin Rapids, WI

Review

“Nix’s collection of richly imagined short fiction is a feast for speculative fiction fans of all ages.” (Booklist (starred review))

“Deft characterization and virtuoso worldbuilding with tones that range from creepy dread to grisly violence to poignant heartbreak to wry humor (sometimes within the same tale!). A tasty buffet for Nix fans and a comprehensive sampler for new readers.” (Kirkus Reviews)

“Nix has a very imaginative and wild mind, and his characters come to life. An enjoyable read for fantasy and science fiction fans.” (Voice of Youth Advocates (VOYA))

“Invariably well-written and featuring engaging characters throughout, these stories are all a pleasure to read. Nix’s fans will treasure this collection.” (Publishers Weekly)

“Nix’s talents for characterization, description, and plotting render each story in this work a pleasure to read. Readers of speculative fiction, whether teens or adults, should find much to enjoy in this collection.” (School Library Journal)

From the Back Cover

The best of Garth Nix, including an original Old Kingdom novella

Far to the north of the Old Kingdom, the Greenwash Bridge Company has been building a bridge for almost a hundred years. It is not an easy task, for many dangers threaten the bridge builders, from nomad raiders to Free Magic sorcerers. Despite the danger, Morghan wants nothing more than to join the Bridge Company as a cadet. But the company takes only the best, the most skillful Charter mages, and trains them hard, for the night might come when only a single young cadet must hold the bridge against many foes. Will Morghan be that cadet?

With the novella *To Hold the Bridge*, Garth Nix continues to explore the magical world of the Old Kingdom

series. Also included in this remarkable collection are eighteen short stories that showcase Nix's versatility, as he adds a fantastical twist on an array of genres including science fiction, paranormal, realistic fiction, mystery, and adventure.
