Editorial Review

Amazon.com Review

David Leadbetter is the guru particularly known for the way he's molded the games of the Nicks--Nick Price and Nick Faldo--to often breathtaking levels. *Faults and Fixes* is a perfectly pragmatic instructional. Breaking golf into the full swing, the short game, the game in general, and mental approaches, he fills one page with a common problem--say, slicing, hooking, undisciplined practice--and on the facing page presents its cure. The language is clear, and the advice is well illustrated.
