## Embracing and Managing Change in Tourism: International Case Studies

By Gianna Moscardo

*Embracing and Managing Change in Tourism* examines management responses to the major changes taking place in international tourism and considers tourism itself as an agent of change. Including twenty-two detailed case studies from around the world this book explores two key principles. Firstly that change is inevitable and, if effectively managed, has the potential to benefit all those living in, working in and visiting the destination. Secondly, that there are no universal prescriptions for the effective management of change in tourism, since each destination has distinguishing characteristics and the nature of the problems facing it change over time.

### **Editorial Review**

#### **Review**

"Change constantly challenges tourism planners, yet in all the literature about tourism research little attention has been paid to the nature and implications of change for the industry. Contributors to this collection are trying to remedy that."

-Business Horizons May-June 2002

### **Users Review**

#### **From reader reviews:**

##### **Steven Williams:**

Book is definitely written, printed, or illustrated for everything. You can know everything you want by a publication. Book has a different type.
