### **Givers and the Takers** By Cris Evatt

Make your love relationship the best it can be with the right balance of giving and taking.

With helpful self-tests and analyses, the authors of this practical, insightful guide explain why 90% of all relationships are unbalanced. In all too many cases, one partner constantly initiates conflict (the Taker) while the other sublimates his/her needs to that struggle (the Giver). Resentment and guilt fester on both sides and these relationships are very likely to fail. But yours doesn't have to when you discover:

- \* Why you fall for the same type of person again and again
- \* How you can change the course of your romantic life
- \* How to end Taker tricks and disturbing reverse psychology
- \* How to teach your partner about the missing side of your personality
- \* When to bail out, if you must . . . and so much more!

Determine your type and what you can do about it -- for a richer, better balanced, and more satisfying bond with your mate!
