About the Author

**Sunday Adelaja** is founder and senior pastor of The Embassy of God in Kyiv, Ukraine, and the author of more than sixty books, including *ChurchShift*. Pastor Adelaja has a proven track record for understanding the laws of money. A fatherless child from a forty-hut village in Nigeria, Adelaja grew up in abject poverty yet he was able to build the largest church in Europe at the age of 33. He purposed to make his first million U.S. dollars in two years, so that these wealth creation principles could first be proven in his own life. However, he amazingly was able to achieve this goal in a short nine months. In two years he raised up 200 other millionaires from people who were "down-and-out".
