Editorial Review

From the Inside Flap

Here are three books bound together to make one awesome Bear Country collection! **The Berenstain Bears' Almanac**, **The Berenstain Bears' Nature Guide**, and **The Berenstain Bears' Science Fair** are filled with fascinating facts that cubs and kids want to know about the world they live in. Chock-full of information about the weather, animals, insects, and plants, including dozens of simple science experiments, this is a reference book that offers fun for the whole family.

About the Author

Stan and Jan Berenstain introduced the first Berenstain Bear books in 1962. Mike Berenstain grew up watching his parents work together to write about and draw these lovable bears. Eventually he started drawing and writing about them too. Though Stan died in 2005 and Jan in 2012, Mike continues to create the delightful Bear adventures from the family home and studio in Pennsylvania, in an area that looks much like the sunny dirt road deep in Bear Country.

Users Review

From reader reviews:

Lillian Carlucci:
