The Curator's Handbook By Adrian George

A step-by-step guide to every aspect of putting on an art exhibition, with tips from a range of influential curators

The Curator's Handbook is the essential handbook for curators and curatorial students, mapping every stage of the process of putting on an exhibition, no matter how traditional the venue, from initial idea to final installation.

An introduction explores curatorial work from its origins in the seventeenth century onward and outlines the various roles of the curator today. Twelve chapters then trace the various stages of the exhibition process in clear, informative language and using helpful diagrams and tables, from developing the concept to writing contracts and loan requests; putting together budgets and schedules; producing exhibition catalogues and interpretation materials; designing gallery spaces; working with artists, lenders, and art handlers; organizing private views; and documenting and evaluating a show.

With advice and tips from a cast of international museum directors and curators?including Daniel Birnbaum (Moderna Museet, Stockholm); Aric Chen (M+, Hong Kong); Elizabeth Macgregor (Museum of Contemporary Art, Sydney); Hans Ulrich Obrist (Serpentine Gallery, London); Gao Peng (Today Art Museum, Beijing); Jennifer Russell (Metropolitan Museum of Art, New York); and Nicholas Serota (Tate, London)?this volume is a crucial guide for anyone involved in, or studying, the dynamic field of curation. 1 line drawing

Editorial Review

Review

“Informative . . . Readers are taken through the curation process with precise writing and a formidable wealth of experience. Any student or novice curator will find this a vital part of their curriculum; it is a resource that should be on the shelf of any curator working in a museum in the 21st century.”

- *Library Journal*

“Informative . . . Readers are taken through the curation process with precise writing and a formidable wealth of experience behind each inquiry and instruction. Frequent observations by the contributing museum directors add a personal touch and offer beneficial perspectives about the job. Any student or novice curator will find this a part of their curriculum; it is a resource that should be on the shelf of any curator working in a museum in the 21st century. A much-needed manual for contemporary practitioners of the fine art of curatorship, written with an eye to the everyday applications necessary for the evolution of an exhibition.”

- *Library Journal*

About the Author

Adrian George is Deputy Director and Senior Curator at the UK Government Art Collection in London. He previously held curatorial posts at Tate Liverpool; Tate Modern, London; and the New Museum of Contemporary Art, New York.

Users Review

From reader reviews:

James Smith:

Within other case, little folks like to read book The Curator's Handbook. You can choose the best book if you appreciate reading a book. So long as we know about how is important a new book The Curator's Handbook. You can add information and of course you can around the world by just a book. Absolutely right, since from book you can know everything! From your country till foreign or abroad you will end up known. About simple thing until wonderful thing it is possible to know that. In this era, we could open a book or even searching by internet product. It is called e-book. You can utilize it when you feel weary to go to the library. Let's learn.

Sharon Doyle:

Reading a e-book can be one of a lot of action that everyone in the world enjoys. Do you like reading book so. There are a lot of reasons why people enjoy it. First reading a book will give you a lot of new information. When you read a book you will get new information since book is one of various ways to share the information as well as their idea. Second, reading through a book will make you more imaginative. When you reading a book especially fictional book the author will bring someone to imagine the story how the figures do it anything. Third, you can share your knowledge to other people. When you read this The Curator's Handbook, you could tells your family, friends along with soon about yours reserve. Your knowledge can inspire the others, make them reading a publication.

Wm Dunlap:

Why? Because this The Curator's Handbook is an unordinary book that the inside of the book waiting for you to snap the item but latter it will surprise you with the secret this inside. Reading this book next to it was fantastic author who all write the book in such awesome way makes the content on the inside easier to understand, entertaining technique but still convey the meaning totally. So , it is good for you because of not hesitating having this nowadays or you going to regret it. This phenomenal book will give you a lot of advantages than the other book get such as help improving your proficiency and your critical thinking way. So , still want to hold up having that book? If I had been you I will go to the book store hurriedly.

Thomas Crittenden:

With this era which is the greater particular person or who has ability to do something more are more precious than other. Do you want to become one among it? It is just simple way to have that. What you must do is just spending your time little but quite enough to have a look at some books. Among the books in the top checklist in your reading list is usually The Curator's Handbook. This book and that is qualified as The Hungry Hills can get you closer in turning out to be precious person. By looking right up and review this publication you can get many advantages.
