Wreck of the Medusa: The Tragic Story of the Death Raft By Alexander McKee

"Wreck of the Medusa" is the same book, only retitled, as one called "Death Raft."

In July, 1816, a French frigate ran aground on a sandbar forty miles off the coast of Africa. Forced to abandon ship, 150 men and women embarked on an overloaded makeshift raft. After twelve days of riots, mutiny, murder, and, ultimately, cannibalism, only *fifteen* were alive.

"If Alive chilled your soul, read this...One of the strangest and most horrifying true stories ever told."-John Fowles

"One of the grisliest of sea epics...a first-rate piece of work."-*Newsweek*

"Compelling."-*Washington Post*

"Superior non-fiction." -*Wall Street Journal*

"Impossible to put down."-*Kirkus Reviews*

"Weird and tragic...a spellbinding drama that made its mark on history."-*Publishers Weekly*

"The most horrible sea tragedy of the century."-*Business Week*

"If anything makes that soccer team's ordeal in the Andes seem tame, this story does."-*Chicago Daily News*

Editorial Review

Amazon.com Review

In July 1816, a year after Napoleon's defeat at Waterloo, a French ship bound for the colony of Senegal foundered off the West African coast. Aboard were some 400 men, women, and children, some aristocrats, some Republicans, and all at the mercy of an incompetent captain who, a tribunal later found, had alienated his battle-tested officers and favored a shockingly incompetent and untried navigator.

That captain, writes Alexander McKee in this forceful work of historical reconstruction, did not wait to see the results of his incompetence; he abandoned his crew and set off on a longboat for the Senegalese shore. Other officers and crewmen left on the remaining lifeboats, taking most of the ship's provisions and leaving more than 150 passengers to brave the open sea on a raft. Within a few days, most of those castaways had been burned to death by the sun, providing food for the survivors. When rescuers arrived, they found only "fifteen men, almost naked, faces and bodies blotched and disfigured by the scorching sun"--a sight that would soon be reported to a horrified world.

McKee writes not only of the fate of the *Medusa* and its unfortunate passengers, but also of other terrible shipwrecks and kindred incidents. Along the way, he looks at the making of Géricault's celebrated painting *The Wreck of the Medusa*, the effect of exposure and dehydration on the human body, and assorted questions of bravery and cowardice. His book makes for a vivid, highly readable--if sometimes repugnant--tale of disaster and terror. --*Gregory McNamee*

Users Review

From reader reviews:

Walter Jones:

Reading a publication can be one of a lot of pastime that everyone in the world loves. Do you like reading book therefore. There are a lot of reasons why people enjoyed. First reading a guide will give you a lot of new data. When you read a guide you will get new information simply because book is one of numerous ways to share the information or perhaps their idea. Second, examining a book will make you actually more imaginative. When you looking at a book especially hype book the author will bring someone to imagine the story how the figures do it anything. Third, you could share your knowledge to other folks. When you read this Wreck of the Medusa: The Tragic Story of the Death Raft, you may tells your family, friends along with soon about yours book. Your knowledge can inspire average, make them reading a book.

Helen McCleary:

This Wreck of the Medusa: The Tragic Story of the Death Raft is great e-book for you because the content which can be full of information for you who else always deal with world and also have to make decision every minute. This particular book reveal it information accurately using great arrange word or we can say no rambling sentences included. So if you are read that hurriedly you can have whole details in it. Doesn't mean it only will give you straight forward sentences but tough core information with lovely delivering sentences. Having Wreck of the Medusa: The Tragic Story of the Death Raft in your hand like having the

world in your arm, details in it is not ridiculous just one. We can say that no guide that offer you world inside ten or fifteen small right but this guide already do that. So , this is certainly good reading book. Heya Mr. and Mrs. occupied do you still doubt in which?

Luciana Findley:

Is it an individual who having spare time in that case spend it whole day by simply watching television programs or just lying down on the bed? Do you need something new? This Wreck of the Medusa: The Tragic Story of the Death Raft can be the reply, oh how comes? It's a book you know. You are and so out of date, spending your spare time by reading in this brand-new era is common not a geek activity. So what these publications have than the others?

Robert Lewis:

Reading a publication make you to get more knowledge from it. You can take knowledge and information from the book. Book is written or printed or highlighted from each source this filled update of news. Within this modern era like right now, many ways to get information are available for anyone. From media social just like newspaper, magazines, science guide, encyclopedia, reference book, book and comic. You can add your knowledge by that book. Are you hip to spend your spare time to open your book? Or just looking for the Wreck of the Medusa: The Tragic Story of the Death Raft when you necessary it?
