**A Handbook of Wisdom: Psychological Perspectives** From Brand: Cambridge University Press

At a time when poor choices are being made by notably intelligent and powerful individuals, this book analyzes a form of reasoning and decision-making that is not only productive and prudent, but serves as well a beneficial purpose for society. *A Handbook of Wisdom* includes contributions from some of the most prominent scholars in the field of wisdom research. Written from multiple perspectives, including psychology, philosophy, and religion, this book gives the reader an in-depth understanding of wisdom's past, present, and possible future direction within literature, science, and society.

### **Editorial Review**

#### **Review**

"This handbook provides a valuable compendium of the current state of knowledge about wisdom. It is a worthwhile read, and the conscientious reader will be more knowledgeable if not wiser."

-David D. Simpson, PsycCritiques

"Wisdom appears to have much to do with outstanding futures-thinking, and thus in a very broad sense can be seen as a method to be cultivated."

-Future Survey

#### **About the Author**

Robert J. Sternberg (PhD) is IBM Professor of Psychology and Education at Yale, Director of the PACE Center at Yale, and was the 2003 President of the American Psychological Association. He is the author of over 1000 publications on topics related to cognition and intelligence. He has won numerous awards from professional associations and holds five honorary doctorates.

Jennifer Jordan (PhD, Yale University) received her doctorate in social psychology from Yale University and is currently a post-doctoral fellow for the Allwin Initiative for Corporate Citizenship at the Tuck School of Business at Dartmouth College. Her research interests include moral leadership, awareness, and decision-making within the business domain. In collaboration with Robert Sternberg, she co-edited *A Handbook of Wisdom: Psychological Perspectives*. She is also a 2004 recipient of the Yale University John F. Enders Research Grant, an American Psychological Association Dissertation Award, and the 2005 Academy of Management SIM Division Dissertation Award.
