### Emily of New Moon (The Emily Books, Book 1) By Lucy Maud Montgomery

Emily Starr never knew what it was to be lonely -- until her beloved father died. Now Emily's an orphan, and her mother's snobbish relatives are taking her to live with them at New Moon Farm. She's sure she won't be happy. Emily deals with stiff, stern Aunt Elizabeth and her malicious classmates by holding her head high and using her quick wit. Things begin to change when she makes friends: with Teddy, who does marvelous drawings; with Perry, who's sailed all over the world with his father yet has never been to school; and above all, with Use, a tomboy with a blazing temper. Amazingly, Emily finds New Moon beautiful and fascinating. With new friends and adventures, Emily might someday think of herself as Emily of New Moon.
