Exploring English With Online Corpora: An Introduction

By Wendy Anderson, John Corbett

Exploring English With Online Corpora: An Introduction By Wendy Anderson, John Corbett

Never before have so many electronic resources been available to support the teaching of English. From a wide variety of online corpora to specialized archives of speech and writing, teachers and students are faced with the challenge of understanding these resources and selecting those appropriate to their purpose. This accessible introduction demonstrates how freely available corpora can be used for the study of English at different linguistic levels, including vocabulary, grammar, discourse and pronunciation.

With clear descriptions and a practical approach, Exploring English with Online Corpora:
• introduces readers to a range of online corpora that can be used to explore and analyse the English language
• provides a detailed guide to interpreting corpus data
• demonstrates how teachers and lecturers can integrate corpora into language courses
• includes interactive tasks, a helpful glossary and further reading sections

This essential guide to the use of online corpora will be invaluable for students studying the English language and beginning to formulate their own research questions.

Users Review

From reader reviews:

Hilda Baker:

Do you have favorite book? When you have, what is your favorite's book? Publication is very important thing for us to understand everything in the world. Each book has different aim or goal; it means that e-book

has different type. Some people really feel enjoy to spend their time to read a book. They are reading whatever they take because their hobby is definitely reading a book. Think about the person who don't like reading a book? Sometime, man feel need book if they found difficult problem or maybe exercise. Well, probably you will require this Exploring English With Online Corpora: An Introduction.

Beverly Bell:

With other case, little persons like to read book Exploring English With Online Corpora: An Introduction. You can choose the best book if you appreciate reading a book. As long as we know about how is important a book Exploring English With Online Corpora: An Introduction. You can add expertise and of course you can around the world by a book. Absolutely right, mainly because from book you can know everything! From your country until finally foreign or abroad you may be known. About simple thing until wonderful thing you can know that. In this era, you can open a book or searching by internet product. It is called e-book. You may use it when you feel fed up to go to the library. Let's examine.

Harry Baxter:

Exploring English With Online Corpora: An Introduction can be one of your nice books that are good idea. We recommend that straight away because this book has good vocabulary that may increase your knowledge in language, easy to understand, bit entertaining but nonetheless delivering the information. The copy writer giving his/her effort to get every word into joy arrangement in writing Exploring English With Online Corpora: An Introduction nevertheless doesn't forget the main stage, giving the reader the hottest and also based confirm resource data that maybe you can be one of it. This great information can drawn you into fresh stage of crucial pondering.

Donald Burgess:

As a university student exactly feel bored to reading. If their teacher inquired them to go to the library or even make summary for some guide, they are complained. Just little students that has reading's spirit or real their passion. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that reading is not important, boring as well as can't see colorful photos on there. Yeah, it is being complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Exploring English With Online Corpora: An Introduction can make you really feel more interested to read.
