Fatal Error: A Repairman Jack Novel (Adversary Cycle/Repairman Jack Book 14) By F. Paul Wilson

"Repairman Jack is one of my favorite characters--I'm full of happy anticipation every time I hold a new RJ novel in my hands."

--Charlaine Harris, creator of *True Blood*

The End of the World is at hand!

Munir Habib's life has become a nightmare. His tormentor has warned Munir not to report the kidnapping of his family, or else they will pay a terrible price. A friend realizes something is terribly wrong and tells Munir he doesn't have to go to the cops. There's a guy who fixes situations like this-Repairman Jack. Jack is backed into helping Munir despite his ongoing involvement in the cosmic shadow war between the Ally and the Otherness. Or perhaps because of it. He's chafing at being forced into the defensive role of protecting the Lady, the physical embodiment of the consciousness of the planet Earth.

Meanwhile, the Septimus Order and the Kickers are seemingly working in concert on a plot to extinguish the Lady and open the way for the Otherness to take over our reality. To top it all off, Dawn Pickering finally goes into labor and delivers a baby she only glimpses as it's whisked away, and is terrified by what she sees. Later she's told the baby died, but she doesn't believe it. Neither does Weezy. Neither does Jack. All these interlocking plots mean doom for humanity. But Jack never gives up or gives in.

At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Editorial Review

From Publishers Weekly

This riveting supernatural thriller, billed as the penultimate novel in Wilson's long-running Repairman Jack saga (Ground Zero, etc.), finds Jack, a principled mercenary who lives off the grid, still tussling with the evil Order of Septimus, whose members hope to open the door to a malignant occult force known as the Otherness. To do so, they partner with several techno-terrorist cults to shut down the Internet, which further serves the interests of Jack's nemesis, the sinister Mr. Osala, who's grooming a newborn child tainted with the Otherness to play an adversarial role in the events unfolding. Wilson gives his multilayered plot an invigorating aura of cosmic creepiness as he deftly weaves together subplots and themes that have been snaking their way through the past dozen novels. Fans who've been following this series for the past quarter-century will be pleased to find that it still abounds with ingenuity and surprises.

From [Booklist](#)

The next-to-last Repairman Jack novel will be pretty much incomprehensible to anyone who is not intimately familiar with the dozen or so that came before it. A man's family has been abducted, and the abductor is threatening to kill his captives if the man goes to the authorities. Clearly this is a case for Repairman Jack, a fix-it guy who operates under the legal radar. Unfortunately, Jack is a bit preoccupied with the ongoing battle between good and evil for control of the physical world (Jack, you see, has another gig as protector of the human form of Earth's consciousness). Wilson brings Jack's story closer to its resolution, which apparently will involve the fate of humanity itself. Casual readers will almost certainly be baffled, but fans of the Repairman Jack series will be excited about the nearing finale. Wilson knows how to spin a yarn—as long as readers stay up to date with the backstory. --David Pitt

Review

"Repairman Jack is one of the most original and intriguing characters to arise out of contemporary fiction in ages. His adventures are hugely entertaining."

--Dean Koontz on the Repairman Jack novels

"Jack stand[s] out from the supernatural pack.... The books are about an ordinary guy doing whatever it takes to protect the innocent, and that's a story that always has resonance."

--*Chicago Sun-Times* on *By the Sword*

"A canny mix of sci-fi paranoia and criminal mayhem.... *Bloodline* starts fast, keeps the accelerator down, and defies you to stop reading."

--*Entertainment Weekly*
