**A #1 *New York Times* Bestseller and Winner of the 2016 Caldecott Medal**

*Before Winnie-the-Pooh, there was a real bear named Winnie. And she was a girl!*

In 1914, Harry Colebourn, a veterinarian on his way to tend horses in World War I, followed his heart and rescued a baby bear. He named her Winnie, after his hometown of Winnipeg, and he took the bear to war.

Harry Colebourn's real-life great-granddaughter tells the true story of a remarkable friendship and an even more remarkable journey--from the fields of Canada to a convoy across the ocean to an army base in England...

And finally to the London Zoo, where Winnie made another new friend: a real boy named Christopher Robin.

Here is the remarkable true story of the bear who inspired Winnie-the-Pooh.

### Editorial Review

From School Library Journal

K-Gr 3—This sweet tale of the black bear that inspired the legendary children's book character Winnie-the-Pooh will resonate with readers. In the framing story, a mother tells her son, Cole, a bedtime tale about how veterinarian Harry Colebourn, a young Canadian soldier on his way to train and fight in Europe during World War I, stumbled upon a baby black bear that he bought off a trapper at a train depot. Colebourn named the bear Winnie, short for Winnipeg, a gentle reminder of his hometown, and took the bear with him to England. Winnie quickly became the mascot of his unit. But when the time came to ship out to France for combat, Colebourn left his beloved pet in the capable hands of the London Zoo. Later, Milne and his son, Christopher Robin, visited the London Zoo and Christopher Robin took an immediate shine to Winnie, developing an unusually strong bond with the animal and even playing with her in her enclosure. The boy imagined all sorts of adventures for Winnie, which became the basis for the now-famous stories written by Milne. Washes of muted colors convey a cozy cheeriness that imbues the book with warmth and comfort, while occasional interjections from young Cole add to the fun. Blackall's characters are rosy-cheeked and expressive, while Winnie is curious and whimsical. A perfect melding of beautiful art with soulful, imaginative writing, this lovely story, penned by Colebourn's great-great granddaughter, is ideal for sharing aloud or poring over individually. VERDICT Children everywhere will enjoy this tale for years. A must-have.—Jody Kopple, Shady Hill School, Cambridge, MA
