Have His Carcase (The Lord Peter Wimsey Mysteries Book 8) By Dorothy L. Sayers

When Harriet Vane finds a dead body on the beach, she and Lord Peter Wimsey must solve a murder when all the evidence has washed out to sea.

Harriet Vane has gone on vacation to forget her recent murder trial and, more importantly, to forget the man who cleared her name—the dapper, handsome, and maddening Lord Peter Wimsey. She is alone on a beach when she spies a man lying on a rock, surf lapping at his ankles. She tries to wake him, but he doesn't budge. His throat has been cut, and his blood has drained out onto the sand.

As the tide inches forward, Harriet makes what observations she can and photographs the scene. Finally, she goes for the police, but by the time they return the body has gone. Only one person can help her discover how the poor man died at the beach: Lord Peter, the amateur sleuth who won her freedom and her heart in one fell swoop.

Have His Carcase is the 8th book in the Lord Peter Wimsey Mysteries, but you may enjoy the series by reading the books in any order.

This ebook features an illustrated biography of Dorothy L. Sayers including rare images from the Marion E. Wade Center at Wheaton College.

Editorial Review

Review

“A nearly perfect detective story.” —*Saturday Review*

“Written with distinction and wit. . . . As much a psychological story as an experiment in detection. It has all the excitement that a detective story should offer.” —*The Spectator*

“Lord Peter can hardly be spared from the ranks of the great detectives of the printed page.” —*The New York Times*

From the Back Cover

Mystery novelist Harriet Vane, recovering from an unhappy love affair and its most unpleasant aftermath, seeks solace on a barren beach deserted but for one notable exception: the body of a bearded young man with his throat cut. From the moment she photographs the corpse, which soon disappears with the tide, she is puzzled by a mystery that might easily have been a suicide, a murder, or a political plot. With the appearance of her dear friend Lord Peter Wimsey, however, Harriet finds yet another reason to pursue the mystery, as only the two of them can pursue it.

About the Author

Dorothy L. Sayers (1893–1957) was a British playwright, scholar, and acclaimed author of mysteries, best known for her books starring the gentleman sleuth Lord Peter Wimsey. While working as an advertising copywriter, Sayers began writing *Whose Body?* (1923), the first Wimsey mystery, followed by ten sequels and several short stories. Sayers set the Wimsey novels between the two World Wars, giving them a realistic tone by incorporating details from contemporary issues such as advertising, women’s education, and veterans’ health. Sayers also wrote theological essays and criticism during and after World War II, and in 1949 published the first volume of a translation of Dante’s *Divine Comedy*. Although she considered this translation to be her best work, it is for her elegantly constructed detective fiction that Sayers remains best remembered.

Users Review

From reader reviews:

Gregory Holloman:

In this 21st hundred years, people become competitive in every single way. By being competitive currently, people have to do something to make these individuals survive, being in the middle of often the crowded place and notice by surrounding.
