### Editorial Review

#### Review

"Drs. Capuzzi and Gross, prolific scholars and leaders within the mental arena, have skillfully shaped the training of students and new professionals for decades. Once again, they provide an illuminating introduction to the counseling profession, complete with a rich historical context, cutting edge wellness strategies, and practical information for counselors working across diverse settings. A 'must read' for students and new professionals!" Thelma Duffey, PhD, professor and chair of the Department of Counseling, University of Texas at San Antonio, 2015-2016 president of the American Counseling Association, founder of the Association for Creativity in Counseling "Drs. Capuzzi and Gross have provided the counseling profession with a new, innovative textbook. This book creatively provides students with the knowledge and skills necessary to become successful counselors. This 7th edition focuses not only on the process of counseling, but in addition, it focuses on the influence of personal dynamics impacting the counseling process." Loretta J. Bradley, PhD, Texas Tech University, former president of the American Counseling Association, Association for Counselor Education and Supervision, International Association for Marriage and Family Counselors, and Texas Association for Adult Development and Aging "Dave Capuzzi and Doug Gross continue to be the masters of bringing experts together to write about their particular areas of expertise. Every chapter in this 7th edition does an excellent job of staying on the cutting edge of the profession's growth, blended into the history and foundations that continue to make the profession great. It captures both the professional and personal aspects that new trainees must quickly understand." Richard J. Hazler, PhD, professor of education (counselor education), Pennsylvania State University

#### New to this edition:

- o All chapters have been **substantially updated**, and **nine (of 20) have been entirely rewritten by new authors**, including those on helping relationships; spirituality; school counseling; counseling in mental health and private practice settings; counseling gay, lesbian, bisexual, and transgender clients; and questioning; bringing fresh perspectives and new dimensions to these topics.
- o The chapter on **working with people of color**, now written by Courtland Lee, has been moved earlier in the book to reflect the importance of this topic.
- o **Websites** have been added for each chapter to provide extended resources for further information.

Here's what your colleagues are saying about this book:

"It is my intention to continue to use this text as long as it maintains the comprehensiveness, balance, and integrity that it has had."

“The organization is excellent. Each chapter fits neatly in place.”

“This text was the one that was deemed most comprehensive in the area in that it devoted space to several special population groups, covered ethical concerns, and traced the evolution of the profession.”

- Stephen A. Haberman, Tomball College

“I like the organization, research, and style of the authors.”

- Sally Murphy, George Mason University
