The Day After Tomorrow By Allan Folsom

In a Paris cafe, American surgeon Paul Osborn looks across the room and spots the man who murdered his father thirty years before. In London, a grizzled L.A. homicide cop named McVey joins Scotland Yard to unravel the mystery of a severed head and seven headless corpses. Neither American knows the link between the long-ago killing and the recent murders. But Paul's obsession to catch his father's killer will send him careening across Europe at breakneck speed, his life in the balance, his heart in the hands of a beautiful woman who may be his lover—or his downfall. Shadowing his every move is the relentless McVey. And haunting them both is a secret organization larger and more embracing than any the world has ever seen, preparing for an apocalypse to begin...

Carlie Manson:

As a university student exactly feel bored to be able to reading. If their teacher inquired them to go to the library or to make summary for some reserve, they are complained. Just very little students that has reading's heart and soul or real their pastime. They just do what the educator want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that reading through is not important, boring along with can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to

reach Chinese's country. Therefore this The Day After Tomorrow can make you feel more interested to read.
