Editorial Review

From School Library Journal

Gr 4–6—Picking up right where *Wednesdays in the Tower* (Bloomsbury, 2013) left off, Princess Celie and her siblings have been transported by Castle Glower to a strange land. With them are their friends Pogue and Prince Lulath, as well as Celie's griffin, Rufus. In order to return home and heal the Castle, Celie and company must find the missing piece of the Eye that has been stolen. They meet a wizard, the Arkower, and though they don't trust him, he may be the only one who can help them in their mission. Filled with magnificent griffins and mysteries about the true history of the land and the Castle, fans of the series will eagerly devour this latest installment. The stakes are higher than ever before and the well-paced narrative keeps readers engaged throughout. Supporting characters such as Lulath are more fully fleshed out in this title and while circumstances often separate members of the group, the perspective always stays with Celie, so readers share her confusion and skepticism as she hears conflicting stories about the Castle and the kingdom. Like the protagonist, readers will come away with the valuable lesson that there are multiple sides to every story and that there isn't always a clear right or wrong side in a conflict between groups of people. Though this part of Celie's tale concludes, fans will be delighted at the hints of her next adventure in the final paragraphs.—Amanda Raklovits, Champaign Public Library, IL

Review

“Lovely and engaging, this fantasy series continues to have wide appeal . . . Fans should be eager for this origin revealing follow-up.” ?*Booklist*

“Fans of the series will eagerly devour this latest installment.” ?*School Library Journal*

“This enjoyable romp turns mischief into political action and a stone palace into a cunning character. . . . These kids are clever, as is George's adventure. May pique castle envy.” ?*Kirkus Reviews* on *TUESDAYS AT THE CASTLE*

“This story puts an unexpected spin on the typical princess tale. Readers will root equally for crafty Celie and for her castle, a truly unique and memorable 'pet.’” ?*Library Media Connection* on *TUESDAYS AT THE CASTLE*

“There is a warmth here that is utterly irresistible, both in Celie as the plucky, resourceful protagonist . . . and the maternal, protective nature of her guardian castle. Furthermore, Celie's devotion to her older brother and sister is appealing, and it's refreshing to see siblings who get along despite their differing personalities.” ?*BCCB* on *TUESDAYS AT THE CASTLE*

“A sweet, funny, sincere story in which siblings work together.” ?*Kirkus Reviews* on *WEDNESDAYS IN THE TOWER*

“Castle Glower is the true star of this charming story of court intrigue and magic. A satisfying mix of Hogwarts and *Howl's Moving Castle*, Castle Glower helps its true citizens, but never at the expense of plot or character development. . . . Adventure stories fans will enjoy this as much as children who wear their wizard cloaks proudly.” ?*School Library Journal* on *TUESDAYS AT THE CASTLE*
