### Whisper in the Dark By Joseph Bruchac

Every monster can be overcome if you know the right way to go about it.

Maddy has always loved scary stories, especially the spooky legends of her Native American ancestors. But that was before she heard about the Whisperer in the Dark, the most frightening legend of all. Now there's an icy voice at the other end of the phone and a chilling message left on Maddy's door. Suddenly this ancient tale is becoming just a bit too real. Once, twice, three times he's called out to her. Where will she be when he finally calls her name?

### Editorial Review

From School Library Journal

Grade 5-8—Thirteen-year-old Maddie, the descendant of a Narragansett sachem, lives with her aunt in Providence, RI. She and her friend Roger love to share scary stories, which helps her to deal with the trauma of her parents' recent death. Maddie doesn't quite believe her grandmother's tale of the Whisperer in the Dark, the Narragansett vampirelike creature who comes with his razor-sharp claws only after his victim is paralyzed by fear. Then she receives a frightening hang-up phone call. She and Roger discover the words I'M HERE scratched into her back door and soon find her dog cowering and covered with deep lacerations. In between hearing chilling whispers and seeing visions reflected in a window, Maddie tells Roger about the legend. When he suggests that her aunt might be in danger, the two friends rush home, and the book comes to an exciting conclusion. Maddie's narration is swift and spare, creating a mood of terror tempered by Narragansett words and chants of courage. The end of the story turns out to be logical and reassuring as a probably-not-supernatural maniac is brought to justice. This fast-paced, macabre novel is perfect for reluctant readers, youngsters who have graduated from R. L. Stine's *Goosebumps* series (Scholastic), and for those who might not otherwise encounter Bruchac's Indian legends.—*Wendi Hoffenberg, Yonkers Public Library, NY*

Gr. 5-8. Thirteen-year-old Maddie lives with her aunt Lyssa in Providence, Rhode Island. Her parents' death in an automobile accident has left her among the last living descendants of Canonchet, a Narragansett chief who died fighting for his people's freedom. Although of mixed race and living with her white aunt, Maddie learned many of the Narragansett ways from her father, and Gramma Delia continues to share with her the stories of their people. When Maddie receives two threatening messages and discovers her Irish setter wounded by beastlike slash marks, she is convinced the Whisperer in the Dark--a formidable Narragansett monster--has come for her. To confront it, Maddie relies on the assistance of a loyal friend and a good-hearted cabbie, and on the power of her Native heritage. Like *The Skeleton Man* (2001) and *The Dark Pond* (2004), Bruchac's twining of Native lore with contemporary situations is unique and interesting. This supernatural/horror tale, though slight, will prove compelling enough for upper-elementary children and younger teens; the illustrations add to the youngish feel. *Holly Koelling*

Review

“Bruchac interweaves suspense with Indian folklore effortlessly.” (KLIATT)

“This fast-paced, macabre novel is perfect for reluctant readers.” (School Library Journal)

“Particularly admirable in this short, fast read is Bruchac’s skill in using historical information to increase the suspense and round out the characters in this very scary story...chillingly effective.” (Bulletin of the Center for Children’s Books)

### Users Review

From reader reviews:
